

REMARKS

The Examiner objects to the drawings, stating "...all blocks or boxes in the drawings should be labeled with legends as well as reference numerals." Attached, please find a copy of formal drawings submitted on November 11, 2002, along with a transmittal form and Letter to Chief Draftsman submitted on that date. Applicant submits that formal FIG. 1, which in box 34 has a label, overcomes the Examiner's objection to the drawings. Therefore, Applicants submit that the objection to the drawings should be removed.

The Examiner is respectfully invited to telephone the undersigning attorney if there are any questions regarding this Amendment or this application.

The Assistant Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 500845.
